The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-578-6772 or visit us at **AlabamaBlue.com.** For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.bcbsal.org/sbcglossary/ or call 1-800-292-8868 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	For in-network: $0 For out of network $5,000 / individual or $10,000 / family out-of-network.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. In-network services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductible for specific services.
What is the out–of–pocket limit for this plan?	For in-network $6,000 individual/$12,000 family. For out-of-network $10,000 individual/$20,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.
What is not included in the out–of–pocket limit?	Premiums, balance-billed charges, health care this plan doesn't cover, pre-certification penalties and specialty drug manufacturer assistance amounts for provider-administered drugs.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See AlabamaBlue.com or call 1-800-810-BLUE for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
